

I Feel So Alive

P.O.D.

I've seen life through the eyes of a different soul
I left by past so my future would be under control
Now I've got nothin' standin' in my way
I gave it all away
I gave it all away

Whoa
I gave it all
You've got me livin' how I've wanted
All along
Now all my tears are dried away
You've got me livin' how I've wanted
All along

I feel so alive, alive
Inside, inside
I'm breaking through the haze
To a brand new day
'Cause my heart has been revived

How was I supposed to survive in this vast sea
I was so scared my own heart would try to abandon me
Now I've got nothin' standin' in my way
I gave it all away
I gave it all away

You've got me livin' how I've wanted
All along
Now all my fears have run away
You've got me livin' how I've wanted
All along

I feel so alive, alive
Inside, inside
I'm breaking through the haze
To a brand new day
'Cause my heart has been revived

I feel so alive, alive
Inside, inside

I'm breaking through the haze
To a brand new day
'Cause my heart has been revived

(I feel so alive)
I feel a fire inside
It's like a whole new ride
I feel a sweet increase
Consuming all of me
[3x]

(I feel so alive)
I feel a fire inside
It's like a whole new ride
It's like a whole new ride
It's like a whole new ride

I feel so alive, alive
Inside, inside
I'm breaking through the haze
To a brand new day
'Cause my heart has been revived

I feel so alive, alive (alive)
Inside, inside (inside)
I'm breaking through the haze
To a brand new day
'Cause my heart has been revived

(Oh, oh oh oh oh [4x])
I feel so alive
(Oh, oh oh oh oh [4x])
I feel so alive
