## SiM

I'm waiting for the sun rises again  
 rise up, let me see the sunpeople always say "Black or white", but the world is so gray  
 even angels and devils were once the son of god I praised

 yes I know, yes I know that I...  
 yes I know, yes I know that I...

I am the only one  
 I am the only one who can stop this decadence and offer my presence  
 I gotta do it myself even if it goes wrong  
 the sun will rise again
