## **Glory of Love**

## **Peter Cetera**

Tonight it's very clear, as we're both lying here

There's so many things, I want to say

I will always love you, I would never leave you aloneSometimes I just forget, say things I might regret

It breaks my heart to see you crying

I don't wanna lose you, I could never make it aloneI am a man, who will fight for your honor

I'll be the hero you're dreaming of

We'll live forever, knowing together that we

Did it all for the glory of loveYou keep me standing tall, you help me through it all I'm always strong when you're beside me

I have always needed you, I could never make it aloneI am a man who will fight for your honor

I'll be the hero you've been dreaming of

We'll live forever, knowing together that we

Did it all for the glory of loveJust like a knight in shining armor, from a long time ago

Just in time I will save the day, take you to my castle far awayI am a man who will fight for your honor

I'll be the hero that you're dreaming of

We're gonna live forever, knowing together that we
Did it all for the glory of loveWe'll live forever, knowing together that we
Did it all for the glory of loveWe did it all for love, we did it all for love
We did it all for love, we did it all for love
