My Defender

Jeremy Camp

Though I walk through the valley of the shadow
And I stand face to face with the enemy
I will know that I am not forsaken
You surround me
When the fire's at my feetYou're my defender
You fight for me
I will remember
You're all I need
You are my healer
My remedy
Against the power of the unknown
And I will not stand alone
Cause You're my defender
I can see You when the night is closing in
And I will trust You when it seems that there's no hope
And I hold tight to the promise You have given
Cause this I know
And I am confidentI'm saved by the blood
I'm saved by the blood of Jesus
I know that You are for me
I know You will not fail
The weapons formed against me
Cannot prevailBecause I'm saved by the blood
I'm saved by the blood of Jesus
