

Keep Me Jealous

The Sam Willows

You've got the whole world watching
like you wanted to
High heels and lace like toxin
They are addicted to you
You've got the whole world watching
like you wanted to
Fresh ink and peacock talking
They're all over you
Limelights with a shine in your drink
Looks nice didn't get it from me
I see, I see, I see
you say
it's just for fun
it's just for play
to keep me jealous
four second hugs
too little space
to keep me jealous
To keep me jealous
I used to love
our mind games
made me feel alive
they got old and
we're the same just you, our love and i
limelights put a shine
on your skin
looks nice don't you keep it from me
I see, I see, I see
you say
it's just for fun
it's just for play
to keep me jealous
four second hugs
too little space
to keep me jealous
to keep me jealous
I think we're desperate
for the fire, fire
can't let heart rest

cost it's tired tired
Baby call me crazy
but I think maybe we need it so
 keep me jealous
 keep me jealous
 it's just for fun
 it's just for play
 to keep me jealous
 four second hugs
 too little space
 to keep me jealous
 it's just for fun
 it's just for play
 to keep me jealous
 four second hugs
 too little space
 to keep me jealous
 it's just for fun
 it's just for play
 to keep me jealous
 four second hugs
 too little space
 to keep me jealous
