

# Wasteland

## Blaudzun

Keep it up my lovin', light is no more  
Will we part in time, when we go to war?  
Holdin' out to never, gon' abide the wind  
Of the wasteland ghost  
Keep it up my lovin', light is no more  
Do you know the truth we're fightin' for?  
We're going up, but you cannot hide  
Let the wasteland touch  
Free, free this world, tame me  
Too free, for this world turning  
We're too free, from this world turning back to love  
There is nothing to it, keep askin' for more  
To feed your ghost and the womb at your door  
That go up and go up, used to hide  
They suck you up and leave you dry  
Holding out to nothing, we abide the wind  
Let the wasteland touch  
Free, free this world, tame me  
Too free, for this world turning  
We're too free, from this world turning back to love
