Happy Boy

Gold Fields

(Verse)
I'm going to be happy
I'm going to be happy
I'm going to be happy
I'm going to be happy.I'm going to be happy
I'm going to be happy(Chorus)
Because when I walk out of here
This place won't change.
If I storm out of here
His face won't change.
But when I walk out of here
It will make my pain go away.(Verse)
I'm going to be happy
I'm going to be happy.(Chorus)
Because when I walk out of here
This place won't change
If we just forget the fear
Remember the range.
When I walk out of here
It will make my pain go away.(Chorus)
Because when I walk out of here
This place won't change.
If I storm out of here
His face won't change.
But when I walk out of here
It will make my pain go away.
