

# Baby Blue Eyes (feat. Larkin P)

## A Rocket to the Moon

My eyes are no good, blind without her  
The way she moves, I never doubt her  
When she talks, she somehow creeps into my dreams  
She's a doll, a catch, a winner  
I'm in love and no beginner  
Could ever grasp or understand just what she means Baby, baby blue eyes  
Stay with me by my side  
'Til the mornin', through the night  
Well baby  
Stand here, holdin' my sides  
Close your baby blue eyes  
Every moment feels right  
And I may feel like a fool  
But I'm the only one, dancin' with you  
Oh oh oh oh I drive her home when she can't stand  
I like to think I'm a better man  
For not lettin' her do what she's been, known to do  
She wears heels and she always falls  
Don't let her think she's a know-it-all  
But whatever she does wrong, it seems so right  
My eyes don't believe her  
But my heart, swears by her Baby, baby blue eyes  
Stay with me by my side  
'Til the mornin', through the night (can't get you out of my mind)  
Well baby  
Stand here, holdin' my sides  
Close your baby blue eyes  
Every moment feels right  
And I may feel like a fool  
But I'm the only one, dancin' with you  
Oh oh oh oh  
Can't get you out of mind I swear, I've been there  
I swear, I've done that  
I'll do whatever it takes, to see those Baby, baby blue eyes  
Stay with me by my side  
'Til the mornin', through the night (can't get you out of my mind)  
Baby, stand here, holdin' my sides  
Close your baby blue eyes  
Every moment feels right

And I may feel like a fool  
But I'm the only one, dancin' with thoseBaby, baby blue eyes,  
Stay with me by my side,  
'Til the mornin', through the night.(can't get you out of my mind)  
Baby, stand here, holdin' my sides  
I'm closin' your eyes,  
Every moment feels right (every moment feels right)My eyes are no good, blind without her  
The way she moves, I never doubt her  
When she talks, she somehow creeps into my dreams
