

Honeyblood

Empires

Take my hand
Just the way we go
Feel your mind
Melt down to the bone
Say you don't know what it's like
to be mesmerised and petrified
Show you what it's like, if you knew All the others in destructive
Uh uh uh
It's fun as we know
As fun as we know Till we turn
Along the deaths road
Before we burn
The moment starts to go All the others in destructive
Uh uh uh
It's fun as we know
As fun as we know Everywhere we try to lose control
The further we go
The further we go All the others in destructive
Uh uh uh
It's fun as we know
As fun as we know Everywhere we try to lose control
The further we go
The further we go
