

# Reasons

## Traci Braxton

What was the reason,  
for the treason?  
Same situation  
that's why I am leaving.  
Feel so neglected,  
Disrespected,  
I often wondered, baby, why I ain't left yet.Cause you lied to me  
And cheated me  
Stole your trust from me  
And it's killing me  
Oh  
Reasons for leaving, I'm gone.  
Yes you are leaving,  
You deceived me,  
No explanations needed  
I have my reasons.Now that is over,  
There's no more anger  
I got it together  
You think  
Now you are the stranger!Cause you lied to me,  
And you cheated me  
Stole your trust from me,  
And it's killing me  
Oh  
Reasons for leaving, I'm gone.  
My desires gone,  
My hearts moving on  
Reasons for leaving  
Boy, I lost that feeling!For the love that never die,  
Till the day you make me cry  
So you hold her  
This time I can't get over.Because you lied to me  
And cheated me  
Stole your trust from me  
Now, it's killing me  
Oh  
Reasons for leaving, I'm gone.Gone!You lied to me  
Cheated me  
Stole your trust from me

And it's killing me

Oh

Reasons for leaving

I'm gone.
