Shakedown

Bob Seger

No matter what you think you pull you'll find it's not enough
No matter who you think you know you won't get through
It's a given L.A. law
Someone's faster on the draw
No matter where you hide I'm comin' after you yeahNo matter how the race is run it always ends the same
Another room without a view awaits downtown
You can shake me for a while
Live it up in style
No matter what you do I'm gonna take you downShakedown
