One Heart

Newsboys

Shipwrecked on the rocks of pride, shipwrecked on the rocks of fear
My heart is torn apart when you're not here
Life goes by like a dream when we die, oh will it seem
That our hearts weren't always on the one?One heart, one mind, one soul
One heart, one mind, one soul
One heart after youThere are hearts undecided, some are hard and subdivided
A hard heart couldn't break the chains on me
Let me plow up the ground, make it so I can see
I want to grow, I want your love in meOne heart, one mind, one soul
One heart, one mind, one soul
One heart after YouOne heart, one mind, one soul
One heart after you
One heart, one mind, one soulYeah, yeah, yeah, yeah, yeah, yeahWell I was shipwrecked on the rocks, the rock of pride
Slowly and surely, in came the tide
Life goes by like a dream, when we die, oh will is seem
That our life was wasted by the things we tasted?Wake up, wally, it's time to face it
Lifting Jesus up makes me feel upOne heart, one mind, one soul
