

On and On

Housefires

Where can I run from Your presence
Where can I flee from You
Even if I hide on the highest mountain
You are there Where can I run from Your presence
Where can I flee from You
Even if I lie on the lowest valley
You will find me there Deeper than any ocean
Your love goes on and on
And on and on
Higher than any mountains
Your love goes on and on
And on and on
Your love goes on and on
And on and on and on And if I clothe myself in shadow
Where I fade away from You
Even if I fall to the deepest darkness
Love surrounds me still
Even if I fall to the deepest darkness
Love surrounds me still There is no ending to your
Love that holds on and won't let go
Love that won't leave me on my own
I'm falling deeper into your
Love that holds on and won't let go
Love that won't leave me on my own Love don't let me go, don't let it go There's no where I could run
There's no where I could hide
There's no where I could go
That You won't find me
