

Without You

Horace Silver

I've sure enjoyed the rain and I'm looking forward to the sun
You have to feel the pain when you lose the love you gave someone
I thought by now that time would take away these lonely tears
Well I hope you're fine all alone, where do I go from here
'Cause Without you I'm not okay
Without you I've lost my way
My heart's stuck in second place, ooh
Without you Well I never thought I'd be lying here without you by my side
It seems unreal to me that the life you promised was a lie
You made it look so easy making love into memories
Well I guess you got what you want but what about me, 'cause Without you I'm not okay
Without you I've lost my way
My heart's stuck in second place, ooh
Without you Somebody tell my head, to try to tell my heart
That I'm better off without you
'Cause baby I can't live Without you I'm not okay
Without you I've lost my way
My heart's stuck in second place, ooh
Without you
