All the girl think their sweet
Swing your hips to the beat
In the club from the street
And you know we're all in deep[Paulie]
It's getting crazy (aye aye)
And we aint stoppin now
The walls are shakin (aye aye)
And the roof in comin down[Bridge]
We came here to party
It's time to let go
So lets get it started
Get crazy on the dance floor[Chrous]

From friday to sunday you know they like my style
In body to body it's like a jungle inside
