

Future Past Memories

Pedestrians

ANY WORDS I CANT FATHOM OUT ARE IN BRACKETS FOR WHAT THEY SOUND LIKE

In the bedroom where you stand
your childhood never ends
It keeps shining in the frames on paper thin

When I go will this wait for me
When I go will this change for me

(veee-ets) and sceneries
for future memories
(veee-ets) and dreams I dream
for future failed opportunities
(veee-ets) and the sceneries
for future memories
(veee-ets) and dreams I dream
for future failed opportunities

And all the life that you deserve
it is given it is worth
and it keeps waiting in the hand of older ???(mees)

So when I go will this wait for me
ah ah when I go will this change for me

Coz I am I am....

(veee-ets) and scenery
for future memories
(veee-ets) and dreams I dream
for future Failed opportunities
(veee-ets) and scenery
for future memories
(veee-ets) and dreams I dream
for future Failed opportunities

are we just (clooorats)
coz we are used to it
are we still (cloor)
coz we are used to it

I am...

(veee-ets) and scenery
for future memories
(veee-ets) and dreams I dream
for future failed opportunities
(veee-ets) and scenery
for future memories
(veee-ets) and dreams I dream
for future failed opportunities
