

Pull Me Under

Dream Theater

Lost in the sky
Clouds roll by and I roll with them
Arrows fly
Seas increase and then fall again This world is spinning around me
This world is spinning without me
And every day sends future to past
Every breath leaves one less to my last Watch the sparrow falling
Gives new meaning to it all
If not today nor yet tomorrow
Then some other day I'll take seven lives for one
And then my only father's son
As sure as I ever did love him
I am not afraid This world is spinning around me
The whole world is spinning around me
All life is future to past
Every breath leaves me one less to my last
I wanna give you that's line with this one Pull me under, pull me under
Pull me under I'm not afraid
All that I feel is honor and spite
All I can do is set it right Dust fills my eyes
Clouds roll by and I roll with them
Centuries cry
Orders fly and I fall again This world is spinning inside me
The whole world is spinning inside of me
Every day sends future to past
Every step brings me closer to my last Pull me under, pull me under
Pull me under I'm not afraid
Living my life too much in the sun
Only until your will is done Pull me under, pull me under
Pull me under I'm not afraid
All that I feel is honor and spite
All I can do is set it right Pull me under, pull me under
Pull me under I'm not afraid
Living my life too much in the sun
Only until your will is done Oh that this too
Too solid flesh would melt
