

You Really Got Me Now

Bon Jovi

You're dancing with your shadow
You been talking in your sleep
Well, you can walk on water
But don't want to wet your feet
You really got me
You really got me now
You know I don't know how you do it
But you really put me through it
You got me
You say you talk to everyone
Who is anyone in town
But they don't recognize you
With your feet out of your mouth
You really got me, yeah
You really got me now
You know I don't know how you do it
But you really got me through it
You got me
Who am I to judge a man
Who says that he's his own biggest fan
It's true
You brought a knife out to a gunfight
And you're shouting that I'm dead
My old friends Smith and Wesson
Think you're in over your head
You really got me
You really got me
You really got me now
You know I don't know how you do it
But you really put me through it
You got me now
You really got me
You've burned your bridges, baby
You really got me now
