

Move on (feat. JanSoon)

ATB

(I hate you, but I love you)I hate you, but I love you
I can't stand the way you looked at me lately
Come back, even though we're not the same
And it feels like going nowhere, but I know where you are
It feels like going nowhere, but I have to move on
I have to move onI hate you, but I love you
I can't stand the way you looked at me lately
Come back, even though we're not the same
And it feels like going nowhere, but I know where you are
It feels like going nowhere, but I have to move on
I have to move on(I hate you, but I love you)
(I hate you, but I love you)
(I hate you, but I love you)I hate you, but I love you
I can't stand the way you looked at me lately
Come back, even though we're not the same
And it feels like going nowhere, but I know where you are
It feels like going nowhere, but I have to move on
I have to move onI hate you, but I love you
I can't stand the way you looked at me lately
Come back, even though we're not the same
And it feels like going nowhere, but I know where you are
It feels like going nowhere, but I have to move on
I have to move on
