

Futures

Mindless Self Indulgence

let me introduce myself
let me introduce my bad self
hundred beats per minute baby
don't mean shit to me - to me,
this ain't no blast - this ain't no blast - this ain't no blast from the past
future - oh ah - this ain't no blast from the past
future, uh uh uh uh uhhhh
no future, future, future, future, oooo
your future future, future, future
my dick's the bomb
my dick's the bomb - baby, baby, baby, let me introduce myself
let me introduce my bad self
hundred beats per minute baby
don't mean shit to me - to me, to me
this ain't no blast - this ain't no blast - this ain't no blast from the past
future - oh ah - this ain't no blast from the past
future, uh uh uh uh uhhh
no future, future, future, future
your future, future, future, future
this ain't no minute for me
