

All My Life

K-ci & Jojo

Baby baby, baby baby

Baby baby, baby baby

Baby baby, baby baby

Ooh, I'm so glad

I will never find another lover

Sweeter than you, sweeter than you

And I will never find another lover

More precious than you, more precious than you

Girl, you are close to me just like my mother

Close to me just like my father

Close to me just like my sister

Close to me just like my brother

You are the only one, you're my everything

And for you this song I sing

And all my life I've prayed for someone like you

And I thank God that I, that I finally found you

All my life I prayed for someone like you

And I hope that you feel the same way too

Yes, I pray that you do love me too

I said you're all that I'm thinkin' of, baby

Said I promised to never fall in love with a stranger

You're all I'm thinkin' of, I praise the Lord above

For sending me your love, I cherish every hug

I really love you

And all my life I've prayed for someone like you

(So much baby baby!)

And I thank God that I, that I finally found you

All my life I prayed for someone like you

And I hope that you feel the same way too

Yes, I pray that you do love me

You're all that I ever known

When you smile, on my face, all I see is a glow

You turned my life around

You picked me up when I was down

You're all that I ever known when you smile my face glows

You picked me up when I was down

You're all that I ever known when you smile my face glows

You picked me up when I was down

And I hope that you feel the same way too
Yes, I pray that you do love me too
All my life I prayed for someone like you
And I thank God that I, that I finally found you
All my life I prayed for someone like you
Yes, I pray that you do love me too
All my life I prayed for someone like you
And I thank God that I, that I finally found you
All my life I prayed for someone like you
Yes, I pray that you do love me too
All my life I prayed for someone like you
And I thank God that I, that I finally found you
All my life I prayed for someone like you
Yes, I pray that you do love me too
