

# Fun With Acid (Not So Quiet on the Western Front)

## Fang

Honey, what did you put in my beer? I can hear their noise, I can see their lights  
The helicopters are coming down on me tonight I could get arrested, they're just over the hills  
I can see their lights  
The helicopters are coming down on me tonight I can hear their noise, I can see their lights  
The helicopters are coming down on me tonight I could get arrested, they're just over the hills  
I can see their lights  
The helicopters are coming down on me tonight I can see their noise, I can hear their lights  
The helicopters are coming down on me tonight You did, ho ho ho
