

Ape Shall Never Kill Ape

The Vandals

Just a grunt in a bind in his homeland Taking orders from a very very bad man
Just yer average Dieter, Helmut, or a Bertrand I can waste him 'cause I never
never shook his hand Killed by a hero, what are we supposed to do? just a
loser with a girlfriend getting fat and participation in a very very bad plan
In a nation where the bastards are the unplanned we can waste it 'cause it's such
a teeny tiny hand Killed by procedure, what are we supposed to do
(And Cornelius says) Ape shall never kill ape I say wouldn't that be great?
But some apes, they just gotta go We kill the ones that we don't know Not a
nobody, an actual American beaten silly by another Jody Foster fan Spend a
fortune to debate the moral conflict and He's protected through it's obvious
he killed a man Killed by the system, what are we supposed to do?
