Iggady (Remix) (Feat. Rico Nasty & Mallory Merk)

Bali Baby

(Bali Baby)
Ms brazy bigady
I cut that bitch head off and walk away giggling
It do not make sense to me
How you so gangster but only pop through a screen?
I'm countin' up all this green, i fucked on her friend then i passed that bitch through the team
Ass so fat bussin through the scene
I promise i wont miss cause you know i got the beam
We rock that now she's a fene
Ridin' round with the shooter call it riggedy
There is no ending me
Pull up too the party clear the vicinity
Get killed cause of stupidity
I cant trust these niggas i got a glock-gligady
She poppin' it willingly, my words is so sick giving great fucking imagery
Walk in his cribidy
Smoking it good like he smoking his ciggady
Paranormal activity, i love your bitch yeah she say im in her fantasy
(Rico Nasty)
This gas got me smigady
Hit you three times you think its a damn trilogy
No these lil' bitches envy me, when you see me in person just keep the same energy
Damn must be kidding me, they finessed you again you bout sweet as some kigady
Your boyfriend keep missing me
Say he want this pussy cause my shit too slippery
Why you keep on sneak dissing me?
Fuck around and get your ass smoked just like hickory
(Mallory Merk)
I be so high i forget too respond
You talking that shit i pull up too your lawn
My savages run up shoot up your garage
Hoes in the foreign we breaking the law bank rigady
My shootas got cases in ten different citadys, don't get under my skinady
Bali pop on your ass wipe you off the gridady
