

Long Live Rock and Roll

Steel Dragon

At the end of a dream
If you know where I mean
When the mist just starts to clearIn a similar way
At the end of today
I could feel the sound of writing on the wall
It cries for you
It's the least that you can doLike a spiral on the windI can hear it screamin, in my mind
Long live rock and roll
Long live rock n roll
Long live rock and rollIn a different time
When the words didn't rhyme
You could never quite be sure
Then on with the change
It was simple but strange
And you knew the feeling seemed to say it all
It cries for you
It's the least that you can do
Like a spiral on the wind
I can hear it screamin' in my mind
Long live rock and roll
Long live rock n roll
Long live rock and rollGetting as good as you give
Sleep with the devil and then you must pay
Sleep with the devil, and the devil will take you awayLook away from the sea
I can take you anywhere
Spend a vision with me
A chase with the windMove closer to me
I can make you anyone
I think you're ready to see
The gates of babylonThe power of what has been before
Rises to trap you within
A magic carpet ride a genie maybe more
A city of heavenly sin
Sleep with the devil and then you must pay
Sleep with the devil, the devil will take you away
Black gates of babylonThe devil is me
And I'm holding the key
To the gates of sweet hell
Babylon
