Why Does It Always Rain On Me?

Travis

I can't sleep tonight
Everybody's saying that it's alright
Still I can't close my eyes
I'm seeing a tunnel at the end of all these lightsSunny days
Where have you gone?
I get the strangest feeling
You belongWhy does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightningI can't stand myself
I'm being held up by an invisible man
Still life on a shelf when
I got my mind on something elseSunny days
Oh, where have you gone?
I get the strangest feeling
You belongWhy does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightningOh, where did the blue skies go?
And why is it raining so cold?
It's so coldI can't sleep tonight
Everybody saying that it's alright
Still I can't close my eyes
I'm seeing a tunnel at the end of all these lightsSunny days
Oh, where have you gone?
I get the strangest feeling
You belongWhy does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightningOh, where did the blue skies go?
Why is it raining so cold?
So coldWhy does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightningWhy does it always rain on me?

Why does it always rain on?
Ohh
