

Get Lost

The Real McKenzies

Go on get lost and join a punk rock band
Quit your school, give up your job
And live in a stinky van
They won't let you take it easy
You don't want to get it slow
Now you gotta get 'cher ass to the next punk show
So... ya! go on! get lost!

Go on get lost & fuck your life for good
Fall through the cracks of society
Like your old man said you would
Now you can never take it easy

Never ever get it slow
'Cause it's one hundred miles an hour
To the next punkshow
So ya...go on! get lost!

Don't need a stupid d.j.
'Cause we hate the radio and we
Don't own a fuckin' tv set 'cause
We ain't even got a home

Got no job, no pets, no family, 'cause
We're forever on the road
If you think it's so damn easy:
Just get lost!
