Stay

Tricky

Tricky:
Don't wanna stay
Don't wanna stay
Costanza Francavilla :
I don't really care or share with you
I would rather walk alone
I'm forgetting where I was
I don't really think it's fair of you
I would rather stay at home
I'm forgetting just because
Costanza & Tricky:
Don't wanna stay or lay with you
Don't want another day
Day with you
Don't wanna stay or lay with you
Don't want another day
Day with you
Don't wanna stay
Costanza Francavilla :
No don't try to manipulate
I would rather take control
I'm knowing where I was
Don't you ever try to feel my hate
I would rather feel nothing
I know we're losing love
Costanza & Tricky:
Don't wanna stay or lay with you
Don't want another day

Day with you
Don't wanna stay or lay with you
Don't want another day
Day with you
Don't wanna stay
Costanza Francavilla :
I don't really care or share with you
I would rather walk alone
I'm forgetting where I was
I don't really think it's fair of you

I would rather stay at home
I'm forgetting just because
Don't wanna stay
Tricky:
Don' wanna stay with you (2x)
Don't want another day
Costanza & Tricky:
Don't wanna stay or lay with you
Don't want another day
Day with you
Don't wanna stay or lay with you
Don't want another day
Day with you
Don't wanna stay
(repeated)
