Woman, Woman

Jim Glaser

Woman, oh woman, have you got
Cheating on your mind, on your mind?
There's something wrong between us
That your laughter cannot hideAnd you're afraid to let your eyes meet mine
And lately when I love you I know you're not satisfied
Woman, oh tell me woman, have you got
Cheating on your mind, on your mind?I've seen the way men look at you
When they think I don't see
And it hurts to have them think
That you're that kindBut it's knowing that you're looking back
That's really killing me
Oh woman, oh tell me woman, have you got
Cheating on your mind, on your mind?A woman wears a certain look
When she is on the move
And a man can always tell what's on her mind
I hate to have to say it but that look's all over youOh woman, oh tell me woman, have you
Got cheating on your mind?
Oh woman, oh tell me woman, have you
Got cheating on your mind?
