Mi no guy fi go cry nor shed a tear
Bleach out and di gyal dem a penny mi

Punany a mi best friend, no matter what mi naw left dem
Woman everywhere mi go suh mi no fret when
One gone, one born, suh mi get dem
And if mi run out a gyal mi go checked Leng
Back it up gyal, fling it pon di left then
Deal wid di big bike like a yeng, yeng
Buss di new style meck mi si yo set trend
Money deh so yo no si di thing a extend

Toc a tic, bubble fi mi quick
Go deh gyal, what a body tick
Do no shift, mi a bun a spliff
Minny skirt, any haffi lift

Toc a tic, bubble fi mi quick
Go deh gyal, what a body tick

Apart from life weh mi live that greatest gift that

Mi a chip that nougher than a big block
Worst hi smooth mi a hammer like a big rock

Minny skirt, any haffi lift

Woman everywhere mi go suh mi no fret when
One gone, one born, suh mi get dem

And if mi run out a gyal mi go checked Leng
Back it up gyal, fling it pon di left then
Deal wid di big bike like a yeng, yeng
Buss di new style meck mi si yo set trend
Money deh so yo no si di thing a extend

Toc a tic, bubble fi mi quick
Go deh gyal, what a body tick
Do no shift, mi a bun a spliff
