

When I Grow Too Old to Dream

[Jimmy Smith](#)

We have been gay, going our way
Life has been beautiful, we have been young
After you've gone, life will go on
Like an old song we have sung

When I grow too old to dream
I'll have you to remember
When I grow too old to dream
Your love will live in my heart
So, kiss me my sweet
And so let us part

And when I grow too old to dream
That kiss will live in my heart
And when I grow too old to dream
That kiss will live in my heart

So, kiss me my sweet
And so let us part
And when I grow too old to dream
That kiss will live in my heart
