I'm Only Human

Gretchen Wilson

Somehow I knew you just slipped off the ring
When you walked up and pulled up the chair next to me
You told me with your name with your hand on my knee
Boy, what are you doin'?
I've known some pretty wild men in my life
Take it from me, honey, you ain't that type
I'm doin' my best here to do what is right
But I'm only human
Every minute you're hanging around
The lonely in me keeps on wearing it down
If you only knew what I'm thinking right now
Boy, you're making me crazy
I'm wanting you, baby
What are you doin'?
I'm only human
Boy, you're making me crazy
I'm wanting you, baby
What are you doin'?
I'm only human
So reach in them jeans, boy, and put on that ring
The one that you think you've been hiding from me
If you don't mind, would you hurry up please?
I'm only human, boy, I'm only human
