

# Help Somebody Cry

Greg Long

Someone you care about  
has a broken heart  
you want to be a friend  
but you don't know where to start  
there are other words to say that could ever be enough  
how can you show then your love

Chorus:

Help somebody cry  
be there for their tears  
God will use your life  
to show that he is near  
there's no easy way  
to make it feel alright  
you don't have the answer a while  
help somebody cry

verse ii:

Time may heal the wound  
but that doesn't matter now  
so lend a friend your faith  
walk them through the dark

chrous....

bridge  
sometimes theres something you can do  
but hold somebodys hand and  
break them through  
yeah

there are other words to say that could ever be enough  
how can you show then your love
