Reasons

The Manhattans

Now, I'm craving your body,
Is this real
Temperatures rising, I don't want to feel
I'm in the wrong place to be real
Woahh and I'm; longing to love you
Just for a night,
Kissing and hugging and holding you tight
Please let me love you
With all my might
Reasons, the reasons that we hear,
The reasons that we fear
Our feelings a-won't disappear
Oooh! And- after the love game has been played
All our illusions were just a parade
And all the reasons start to fade

LA-LA-LA
After all our reasons why
All the reasons were a why
After all the reasons lo-ove was left aside
And, longing to love you for one night
Please let me love you with all of my might, baaaaby
Oooohhh, baby!
Reasons, the reasons that we hear,
The reasons that we fear
Our feelings a-won't disappear
Oooh! And after the love games have been played
All our illusions were just a parade
And all the reasons start to fade
And, in the morning when I rise,
No longer feeling hynotized
For no reasons, our reasons, our reasons
Have no pri-ii-de

LA-LA-LA
After all the reasons why
All of the reasons were a lie
After all the reasons why lo-ove was left aside
Heeehhhhh, ooooh, yeaahhh, oohhh Baby,

I can't find the reasons
That my love won't disappear
Can't find the reasons
Why I love you ,my baby, my dear
Can't find the reasons
Wanna love you all night
Can't find the reasons
Gotta squeeze ya, real tight
Can't find the reasons
Baby- yeah,
For my tears
Can't find the reasons
Why I love ya
