Airstream Driver

Red Red Meat

Air stream driverAnother polish funeral day
And we burned all the money up
Pepper spray and swollen lips
Press your face a window ham
And I pray we never do arrive
The penthouse at the sandsAir stream driverGolf tees and safety pins
She shoots and never misses
Stare down passing traffic
While they fit you for a jacketAnd I pray we never do arrive
All the angels on a wire
Dizzy from the heights
Mothers milk and dirty feathersHoward hughes hair and nails
Serenity prayer kleenex shoes
Carefully, carefully with careAir stream driverAnother polish funeral spent
I would return the favor
When we oversleep the rapture
Because your watermelon candy mouth
And I pray we never do arrive
The penthouse at the sandsAir stream driver
