Ah, yeah, ah, yeah
Got good, you good
Am good, the suga
Got good, we good
Get them girl, ah Ignore the mood, you don't have to be afraid to play
Ignore the mood, less talking in the more direct
Ignore the mood, hmm, you ain't got to say nothing (nothing, nothing, nothing)
You rule the crew, you used to tell me everything
Show me what am I missing, show me what am I missing
Make me a believer, show me what I'm missing (show me what I'm missing)
Make me a believer, cause I know I got you hooked (got you hooked yeah)
