Stairway To the Stars

Sarah Vaughan

Let's build a stairway to the stars
And climb that stairway to the stars
With Love beside us
To fill the night with a song
We'll hear the sound of violins
Out yonder where the blue begins
The moon will guide us
As we go drifting along.Can't we sail away on a lazy daisy petal
Over the rim of the hills?
Can't we sail away on a little dream
Settle high on the crest of a thrill?Let's build a stairway to the stars
A lovely lovely stairway to the stars
It would be heaven
To climb to heaven with youLet's build a stairway to the stars
And climb that stairway to the stars
Yes we're climbing
Climbing to that stairway to the stars
Stars, stars, stars
The sound of violins
Way out yonder where the blue begins
The moon will guide us
As we go drift drift drifting alongCan't we sail away on a lazy daisy petal
Over the rim of the hills?
Can't we sail away on a little dream
Settle high on the crest of a thrill?Keep building the stairway to the stars
A lovely stairway to the stars
It would be heaven
Heaven to climb with you.
