

Makin' Moves

Watchout! Theres Ghosts

I got a pocket full of moves
Some lines to intertwine the mood
Breath in, breathe out, whatever it takes
To make it out of here, to make it out soon
I know what you're thinking girl
I'm thinking it too

Let's quit spitting game, and finish our drinks
Then I, then I, I'll spit the truth
Let's start makin' moves, and get some more drinks
Then I, then I, I'll give it to you

(Chorus)

Come on, come on, come on, come over here
(Check the clock girl you're wasting time)
Come on, come on, come on, come over here
(I need your touch girl, I need it tonight)
Whoa, whoa, whoa, whoa, whoa, whoa!

Who says I'm right, alright
Maybe this is all wrong
Need more than one night
To put the, put the moves on
Who's gonna pick, who's gonna choose?
Could I, could I, again with you?

Black tie, white dress, beautiful affair
It isn't fair, it isn't fair
Did you wish for me? Cause I move for you
(Baby stop)...picture me inside of you

(Chorus)

Come on, come on, come on, come over here
(Check the clock girl you're wasting time)
Come on, come on, come on, come over here
(I need your touch girl, I need it tonight)
Come on, come on, come on, come over here
(Check the clock girl you're wasting time)

Come on, come on, come on, come over here
(I need your touch girl, I need it tonight)
Whoa, whoa, whoa, whoa, whoa, whoa!

(Interlude)

Whoa, whoa, whoa, whoa, whoa, whoa
Whoa, whoa, whoa, whoa, whoa, whoa

(Chorus)

Come on, come on, come on, come over here
(Check the clock girl you're wasting time)
Come on, come on, come on, come over here
(I, I need your touch, girl I need it tonight)
Come on, come on, come on, come over here
(Check the clock girl you're wasting time)
Come on, come on, come on, come over here
(I need your touch, girl I need it tonight)
Whoa, whoa, whoa, whoa, whoa, tonight
Whoa, whoa, whoa, whoa, whoa, tonight
whoa, whoa, whoa, whoa, whoa, tonight
whoa, whoa, whoa, whoa, whoa, whoa!
