

# Everything's Archie (Archies Theme)

## The Archies

Everything's Archie Archie's here  
Betty's here, Veronica too  
Reggie's here  
Hey Jughead, where are you? We wanna dance and we wanna sing  
Have some fun and go adventuring  
All our friends are here, but it ain't complete  
We ain't the Archies without the Jughead beat Archie's here  
Betty's here, Veronica too  
Reggie's here  
And here comes Jughead, and Hotdog too
