

Baby Talk

Johnny Thunders & The Heartbreakers

Well baby walk and baby talk
Baby walk and baby talk to you
Well I don't mind baby anytime
You and me baby I tell you alright Well I don't mind, I don't mind
I don't mind, any old time
I don't mind, I don't really mind
Tonight's alright Well baby walk and baby talk
Baby walk and baby talk to you
Well I don't mind baby anytime
You and me baby I tell you alright
I don't mind
And I don't mind
I don't mind
