

# Love Is A Crime

## Anastacia

Ooh, yeah, Chicago  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me to life  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me, sentence me to life  
Some might say, I'm guilty of love in the  
first degree  
If the jury wants to lock me up and throw away the key  
There's no greater punishment than what I face inside  
Won't tamper with the evidence 'cause there's nothing to hide  
He lives inside my heart, I'm in the middle too  
You never had a clue, unless you felt it too  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me to life  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me, sentence me to life  
Swear to tell the truth, to let me plead my  
case  
The thief who stole my heart from me, I couldn't let escape  
He's my only alibi but I won't drop a dime  
So how can I give up to you my partner in crime  
He lives inside my heart, I'm in the middle too  
You never had a clue, unless you felt it too  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me to life  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me, sentence me to life  
You can take away my freedom but you  
can't take my love from me  
I won't die a lonely prisoner 'cause my heart will set me free  
Oh oh oh, yeah, ooh, Chicago  
If love is a crime  
baby, I'd do my time  
Whether it's wrong or right, you can sentence me to life  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me, sentence me  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me to life  
If love is a crime baby, I'd do my time  
Whether it's wrong or right, you can sentence me, sentence me to life
