

I Hate the Weekend

Tacocat

At the end of every week,
they pour into our streets,
[?]
Got a hall pass from your job,
just to act like a fucking slob,
[?][Chorus]
I hate the weekend,
I hate, I hate the weekend,
I hate the weekend
I hate, I hate the weekend They were made for the working stiff,
with a 2 day fun permit,
let loose like your life depends on it,
at the end of every week,
you're screaming in our streets,
work hard play hard [?][Chorus] Paint the rainbow shades of beige,
Take down everything we made,
The neighborhood walks home afraid,
Cause they were made for the working stiff,
With a two day fun permit,
Let loose like your life depends on it,[Chorus]
