# She's Mine, Pt. 1

## J. Cole

I never felt so alive, I never felt so alive
I never felt so alive (I never felt so alive)
I never felt so alive (I never felt so alive)Catch me, don't you
Catch me, don't you catch me
I've fallen in love for the first time
I wanna cry and I ain't even tryna fight it
Don't wanna die (I don't wanna die no more)
'Cause now you're here
And I just wanna be right by your side
On any night that you be crying baby
I'll dry your eyes, I'll dry your eyesEvery time you go to sleep you look like you in Heaven
Plus the head game is stronger than a few Excedrin
You shine just like the patent leather on my new 11's
You read me like a book like I'm the Bible, you the Reverend
And, I wanna tell the truth to you
I wanna talk about my days as a youth to you
Exposing you to all my demons and the reasons I'm this way
I would like to paint a picture, but it'll take more than a day
It would take more than some years to get all over all my fears
Preventing me from letting you see all of me perfectly clear
The same wall that's stopping me
From letting go and shedding tears
From the lack of having father, and the passing of my peers
While I'm too scared to expose myself
It turns out, you know me better than I know myself
Better than I know myself, well how about that?She gets him, you get me
She hugs him, you kiss me
You tell me, you miss me
And I believe you, I believe you
She gets him, you get me
She hugs him, you kiss me
You tell me, you miss me
And I believe you, I believe you
Catch me, don't you
Catch me, don't you catch me
I've fallen in love for the first time
