Miami (Phase-Inc Mix)

The Underdog Project

Everybody loves Miami (2x)
Every body loves Miami
The ocean drives to spend the days on the Jet Ski
There's a one thing I know for the shore
I don't want to leave this place no more
Everybody loves Miami
The ocean drives to spend the days on the jet ski
There's a one thing I know for the shore
I don't want to leave this place no more
Beautiful people
Beautiful life
Where the boys and girls
A jobbing double Dutch
And the party goes all on night
It doesn't matter
where you come from
But you can forget about that summer love
That you made in the florida sun
When in the ocean kissing the sand
Beautiful woman, good looking men
Getting their groove on, getting ready for the night
In Miami
Every body loves Miami
The ocean drives to spend the days on the Jet Ski
There's a one thing I know for the shore
I don't want to leave this place no more
Everybody loves Miami (4x)
Picture Miami
And then you will see
Where I often sit and 'justa reminiss
Of a place is in I really love
When in the ocean kissing the sand
Beautiful woman, good looking men
Getting their groove on, getting ready for the night
In Miami
Every body loves Miami
The ocean drives to spend the days on the Jet Ski
There's a one thing I know for the shore
I don't want to leave this place no more

Everybody loves Miami (4x)
When in the ocean kissing the sand
Beautiful woman, good looking men
Getting their groove on, getting ready for the night
In Miami
Every body loves Miami
The ocean drives to spend the days on the Jet Ski
There's a one thing I know for the shore
I don't want to leave this place no more
Every body loves Miami
The ocean drives to spend the days on the Jet Ski
There's a one thing I know for the shore
I don't want to leave this place no more
Everybody loves Miami (2x)
