Vortex

Zomby

Internal combustion Multiple personalities Terror inside of me A mask of silent agonyCurse the falling rain The vortex of painAs medieval as Merlin A pact for power was made Lucifer in transition It's time, time the price was paidScorchin' the domain The vortex of painA telestic message Written in torment Howl out dirges Like the horns of Jericho Distorted faces Writhin' in rage Walls of purgatory Tumble down Endless death The jewels of a crown The jewels of the crown
