Cryin' Time

LeAnn Rimes

Oh it's cryin' time again
You're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be before it's cryin' timeNow they say that absence makes
The heart grow fonder
And that tears are only rain to make love grow
Well my love for you can never grow more stronger
If I live to be a hundred years oldOh it's cryin' time again
You're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be love before it's cryin' timeNow you say you've foiund someone that you love better
That the way it happens every time to old
And as sure as the sun comes up tomorrow
Cryin' time will start when you walk out the doorOh it's cryin' time again
You're gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me darlin'
That it won't be long before it's cryin' timeYeah, it won't be long before it's cryin' time
