Vibrate

Dawn Richard

verse 1: gotchu right where i want you baby, right between my black thin skin tight leggind , ima tell the truth an it goin to be naked , when we leave this club we gona get it in baby ,pleease baby dont stop please! let go all night fell my body shake hands up on my waist when u touch me baabby!
chorus : baby wont chu make me virbate , make me vibrate , make me vibrate x2 make my body go boom boom boom x3

verse 2: feel ya gettin real close too close baby let me slow it down so u hanging on baby when i say jump u gunna take that jump with me , im on this stage can u feel it baby , pleease baby dont stop please! let go all night fell my body shake hands up on my waist when u touch me baabby!
chorus:baby wont chu make me virbate , make me vibrate , make me vibrate x2 make my body go boom boom boom boom x3
