

# Take a Look Around

## Limp Bizkit

Advisory - the following lyrics contain explicit language:

All the tension in the world today  
All the little girls fillin up the world today  
When the good comes to bad the bad comes to good  
But I'm a live my life like I shouldNow all the critics want to hit it  
To Shit can how we did it  
Just Because they don't get it  
But I'll stay fitted  
New era committed  
Now this red cap gets a rap from his criticsDo we always gotta cry? (gotta cry)  
Do we always gotta live inside a lie (a lie)  
Life is just a blast  
Its Movin really fast  
You Better stay on top  
Or life will kick you in the assFollow me into a solo  
Remember that, kid  
So what you want to do?  
And where you gonna runWhen your starin down the cable of a-  
A mic pointed atcha grill like a gun  
It's Limp Bizkit rockin the set  
It's like Russian RouletteWhen your placin your bet  
So don't be upset  
When your broke  
And your done  
'Cause i'm a be the one  
'Til I jetI know why you want to hate me  
I know why you want to hate me  
I know why you want to hate me  
'Cause hate is all the world has ever seen latelyI know why you want to hate me  
I know why you want to hate me  
Now I know why you want to hate me  
'Cause hate is all the world has ever seen latelyWhy you want to hate me  
'Cause hate is all the world has even seen lately

Now you want to hate me  
'Cause hate is all the world has even seen lately Does anybody really know the secret  
Or the combination for this life and where they keep it  
Its kinda sad when you don't know the meaning  
But everything happens for a reason  
I don't even know what I should say  
'cause I'm an idiot a loser a microphone abuser  
I analyze every second I exist  
Beaten on my mind every second with my fist Everybody want to run (run)  
Everybody want to hide from the gun (gun)  
You can take a ride through this life if you want  
But You can't take that edge off that knife (no sir)  
And now you want your money back (money back)  
But your denied 'cause your brains fried from the sac  
And there ain't nothing I can do  
'Cause life is a lesson you'll learn it when your through I know why you want to hate me  
I know why you want to hate me  
I know why you want to hate me  
'Cause hate is all the world has ever seen lately I know why you want to hate me  
I know why you want to hate me  
Now I know why you want to hate me  
'Cause hate is all the world has ever seen lately Why you want to hate me  
'Cause hate is all the world has ever seen lately  
Now you want to hate me  
'Cause hate is all the world has ever seen lately (Now I know why.. Now I know why.. Now I know why) Now I  
know why you want to hate me  
Now I know why you want to hate me  
Now I know why you want to hate me 'Cause hate is all the world has ever seen lately  
'Cause hate is all the world has ever seen lately  
'Cause hate is all the world has ever seen lately
