Wandering Romance

Jorja Smith

No one knows the pain
No one sees what I see in you
No one feels the same
No one sees myself like you doWould it be easier if I stayed at home?
Wasting my time on my own
And hoping that you'd come along
And would you be honest, baby?
If I said the words "Dou you love me?" for a moment
Or is this just wandering romance?Tell me why you can't control
The feelings you desire
Burning on my bridges
As you said my world's on fire
Save me being honest, baby
Save me from your promises
Take me with your constant shame
Let me bleed your love awaySo take it how you want it
Take all my love
Take it how you want it
Take all my love
Take it how you got me now
After breaking down my heart
Take it how you want it
Take all my loveNo one knows the pain
Nobody is watching when you're gone
No one clears the stairs
But no one keeps me dirty like you do
Tell me why you can't control
The feelings you desire
Burning on my bridges
As you said my world's on fireSave me being honest, baby
Save me from your promises
Take me with your constant shame
Let me bleed your love awaySo take it how you want it
Take all my love
Take it how you want it
Take all my love
Take it how you got me now
After breaking down my heart
Take it how you want it

Take all my loveBurning, yeah
Burning on my bridges
As you said my world's on fire
Save me being honest, baby
Save me from your promises
Take me with your constant shameSo take it how you want it
Take all my love
Take it how you want it
Take all my love
Take it how you got me now
After breaking down my heart
So take it how you want it
Take all my love
