

Holy Blood (feat. The Kings of Kaos)

Alabama 3

I have been used, I've been abused
Just from tryin' to keep you people amused
They say that all but the elect shall be refused
Shall be refused I drink the wine, I pray the prayer
It's giving blood, it's living flesh for the living dead
I gotta keep those Christmas lights on in my head

In my head Chorus:

It's holy blood

It's holy blood

It's holy blood

I'm givin' of (all?)

They make the sign, we take the vow
They take that silver and the gold, we take a bow
What the hell are we supposed to do now
...(Chorus) I got so fried, I made you cry
God knows that I've lied, but I've tried
To always be standing by your side

By your side (Chorus)

In the morning

In the afternoon

...?

dirty spoon ...?
